

**Δεν είναι ανέκδοτο αλλά απάντηση σε επιστολή που έστειλε έλληνας στη Ρενό..πολύ γέλιο!!!**

Dear Mr. **Katsiaros** D.

We have received and analyzed your complaint letter regarding the 'arhidia kivotio' issue on Renault Megane cars. Unfortunately, we were unable to find this term (arhidia kivotio) in our databases which we kindly ask you to send us more detailed specification about.

Also, please be so kind as to translate in English the following expressions: 'gamo to aftokinito sas', 'valte to ston kolo sas' and 'gamo tin kariola tin reno '.

Sincerely yours,
